

Keeping Your Customers Moving Forward

Commercial Fleet Program

Our Wholesale Fleet Program is designed to provide a customizable solution for your Customers' Fleet Management needs. From a basic on-going vehicle maintenance program, to our comprehensive end-to-end **Fleet Management Solution**.

Automotive Specialists can create a program that is tailored to your Commercial Fleet Account's needs whether they have 2 vehicles or 100 vehicles.

Let us partner with you to secure commercial business by offering lowered premiums, lower capital expenditures, and value-added benefits to employees.
