
Fleet Program

We're Fleet "Specialists"

Our Wholesale Fleet Program is designed to provide a customizable solution for your Fleet Management needs. From a basic on-going vehicle maintenance program to our comprehensive end-to-end ***Fleet Management Solution***, Automotive Specialists can create a program that is tailored to your needs whether you have 2 vehicles or 100 vehicles.

We understand that your fleet *is* your source of revenue. When a vehicle is out of service, its money out of your pocket. Budgets are tight and increased capital expenditures are the last thing your business needs.

At Automotive Specialists we're here to work with you to keep your costs down while keeping one of your biggest investments generating revenue. We also consider your vehicle's operational safety a top priority to reduce your exposure to liability.

Our Maintenance Programs are designed to meet the needs of small and large fleets with different levels of service.
